The screenshot shows the website of Samtskhe-Javakheti State University. At the top, there is a navigation menu with links for 'სამუშაოთა პორტალი', 'აკადემიური პორტალი', 'სამეცნიერო კვლევები', 'აკადემიური პორტალი', 'ხარისხის უზრუნველყოფა', and 'პროფესორული ბანაობა'. Below this is a search bar and a 'ფაქტობრივი>>' button. The main content area is titled 'ბიბლიოთეკის შესახებ' and lists various search options: 'ელექტრონული კატალოგი', 'ელექტრონული წიგნების ჩამონათვალი', 'ელექტრონული წიგნები', 'საუნივერსიტეტო გამოცემები', 'საერთაშორისო ელექტრონული ბაზები', 'გამაკვევები და საინფორმაციო მასალა', 'პროფესიული პროგრამების ელექტრონული რესურსები', 'დისკრეციები', 'სიახლეები', and 'საკონტაქტო ინფორმაცია'. A blue arrow points from the 'საერთაშორისო ელექტრონული ბაზები' link to the 'Cambridge Journals' logo at the bottom of the page. The right side of the page contains text about the university's library and a list of databases: 1. Scopus, 2. ScienceDirect, and 3. Cambridge Journals. The Scopus section describes its history and features. The ScienceDirect section describes its content and access. The Cambridge Journals section describes its content and access.

Basic Search

Browse journals: click on the 'Browse Journals' tab to search either by title, subject, subscribed content, free content, or open access content.

Article search: enter search terms in the 'All Journal Articles and Book Content' box. The dropdown menu allows you to limit the search to content you have access to.

On a journal's homepage select 'Journal Menu' to search by volume and issue, or by most downloaded or cited article.

Citation search: select the grey shaded 'Citation Search' tab in the navigation bar.

Advanced Search

1. Enter search term(s) in the box(es) and select appropriate field(s).

2. Select appropriate connector(s)

3. Optional. Select to limit search terms to an exact phrase.

4. Optional. Limit the search by publication date.

5. Optional. Select field(s) to display in the results list

The screenshot shows the 'Advanced Search' interface for Cambridge Journals. At the top, there are two radio buttons: 'Search All Journal and Book Content' (selected) and 'Search All Journals Only'. Below this, the search criteria are organized into two columns: 'Search on' and 'Search for'. The 'Search on' column has five dropdown menus: 'Anywhere', 'Full Text', 'Article or Chapter Title', 'Author or Editor', and 'Abstract'. The 'Search for' column has five corresponding text input boxes. To the right of each input box is a dropdown menu for connectors, all currently set to 'AND'. Below the search criteria is a checkbox for 'Search exact phrase' and two buttons: 'Search' and 'Reset'. The 'By Date' section includes 'From' and 'To' filters with dropdown menus for months and years. The 'Fields to Be Returned' section is a scrollable list of fields: 'Article Title', 'Article Subtitle', 'Author(s)', 'Journal Title', 'Volume No.', 'Issue No.', 'Issue Date', 'DOI', and 'Publication Date'. Annotations with arrows point to various elements: 1. points to the search criteria boxes; 2. points to the connector dropdowns; 3. points to the 'Search exact phrase' checkbox; 4. points to the 'By Date' filters; 5. points to the 'Fields to Be Returned' list.

Advanced Search Tips

- Phrases should be enclosed in quotation marks, e.g. "*ozone depletion*".
- Use wildcard symbol (*) to find words with the same root word.
e.g. *fish** will find matches for *Fisher*, *Fisher's*, *fishes*, *fisher*
- You may use "+" before required word and "-" before words you want to exclude.
e.g. *pollution* +*air* -*water*
- Boolean operators must be typed in capital letters:

<i>Operator</i>	<i>Example</i>	<i>Finds Records</i>
AND	climate AND policy	with both the word <i>climate</i> and the word <i>policy</i>
OR	teenager OR adolescent	with the word <i>teenager</i> or the word <i>adolescent</i> or both
AND NOT	university AND NOT college	with the word <i>university</i> but excludes those which also contain the word <i>college</i>
